- Ball handlers instructions -

At the end of your shift check the coolers on the benches
 if they are low in ice or water please fill one of the spare ones in
 concessions area with water and ice and bring it out to the bench and
 swap it out with the one that is there. There will be a cart on wheels and a
 dolly to help you get it to the bench. You should check to make sure
 there is enough cups on the bench to get through the next game. Extra
 cups will be in a box by the hut
